

McKesson Pharmacy Systems Printing Services

Build a healthy brand with custom prescription labels.

30^{years}
of Printing
Experience

- ✓ **Promote your pharmacy**
- ✓ **Protect your patients**
- ✓ **Save money**

Stand out from the competition with personalized, professional, high-quality pharmacy labels that are essential to pharmacy operations. With over 30 years of experience in the printing business, we offer our customers a wide range of capabilities including:

- Thermal and laser labels that work with most pharmacy management systems
- In-house graphics team to customize your label to ensure brand consistency, while also meeting your state's mandated label requirements
- Support team to ensure all label dimensions are tested with your software application and hardware components
- Volume discounts
- Capability to ship overnight for immediate utilization when time is critical

We're focused on ensuring your brand stands out from the crowd, which is why we also offer:

Prescription bags

Including your pharmacy logo and a creative tag line

Monograph receipt and Patient Information Leaflets

Customizable with coupons, advertisements or other promotions

Business forms

Accounts receivable statements, envelopes and long-term care forms

Supplies

Laser printer toner cartridges, prescription pads, POS paper and ribbons

Join the other pharmacies that are seeing the value in our prescription labels and other printing service offerings.
